| 621 □□ / □□□□□□           | <p>Technical drawing of the 621 chair model. It includes three views: a front view showing two chairs side-by-side with a width of 580mm each and a total width of 1160mm; a side view showing the chair's profile with a height of 1030mm, a seat height of 480mm, and a backrest height of 610mm; and a rear view showing the chair's backrest with a width of 730mm. Other dimensions include a depth of 870mm, a backrest width of 560mm, and a seat depth of 470mm. The drawing also indicates a minimum clearance of 1000mm between the chairs.</p>                                                                      |      |
| 621D □□ / □□□□□□          | <p>Technical drawing of the 621D chair model. It includes three views: a front view showing two chairs side-by-side with a width of 580mm each and a total width of 1160mm; a side view showing the chair's profile with a height of 1030mm, a seat height of 480mm, and a backrest height of 610mm; and a rear view showing the chair's backrest with a width of 730mm. Other dimensions include a depth of 870mm, a backrest width of 560mm, and a seat depth of 470mm. The drawing also indicates a minimum clearance of 1000mm between the chairs. The base of the chair is shown with dimensions of 2200mm by 2270mm.</p> |      |

## A collage of 25 images showing various components and details of a cinema seat. The images are arranged in a grid-like fashion. The top row shows close-ups of seat backrests in orange, red, and dark purple. The second row shows a side view of a blue and yellow seat, a purple seat with a silver armrest, a black armrest, a red seat backrest, a yellow seat backrest, and a side view of a black and orange seat. The third row shows a close-up of a seat base, a blue seat with a cup holder, a blue seat with a green cup holder, a 'Cinema China Film' logo, a blue seat with the number '2', a red seat with the number '12', and a close-up of a seat base. The bottom row shows a blue seat base, a red seat base, a red seat base, and a blue seat base. The images illustrate the variety of colors and materials used in the seat design.
